Ministry Starter Kits

Fall 2016

MOVEMENTS EVERYWHERE

Since the founding of Cru in 1951, our mission has been the same: To help fulfill the Great Commission in the power of the Holy Spirit by winning people to Christ, building them in their faith and sending them to win and build others. With this in mind, the vision of *movements everywhere* was created, so that everyone would know someone who truly follows Jesus. In order to move toward this goal, we've created a few strategies to help us realize this God-sized vision. The Ministry Starter Kit is one strategy to help us launch win, build, and send movements, on more high school and college campuses.

Creating movements everywhere, so that everyone knows someone who truly follows Jesus.

MINISTRY STARTER KITS

The Ministry Starter Kit contains everything needed to launch a new Cru ministry on a U.S. campus with materials including: Student Bibles, discipleship resources, and even scholarship funds for new student leaders to attend training conferences. These new ministries could be launched by staff, student leaders, or even volunteers! In addition to the materials provided, a team of staff are available by phone to coach volunteers step-by-step through the process of launching the ministry as well as building it into a dynamic Spirit-led movement.

Currently, there are 2,115 Cru ministries on college and high-school campuses throughout the U.S. We desire to create new ministries in new places, not for the sake of making Cru great, but for casting the net further to reach more lost students, and give young Christians the tools they need to reach others for Christ.

Last year, a student launching a movement for Latino students at the University of North Carolina was blown

away when 16 students showed up for the first interest meeting saying, "We want to study the Bible!"

WILL YOU PARTNER WITH US TO CREATE NEW MOVEMENTS?

Help staff, student leaders, and volunteers receive the resources they need to launch new ministries during this most effective season- the fall semester. Each kit costs \$3,200.

Your investment today in Ministry Starter Kits can help local staff and volunteers launch new ministries this next semester, giving more people an opportunity to know someone who truly follows Jesus.
